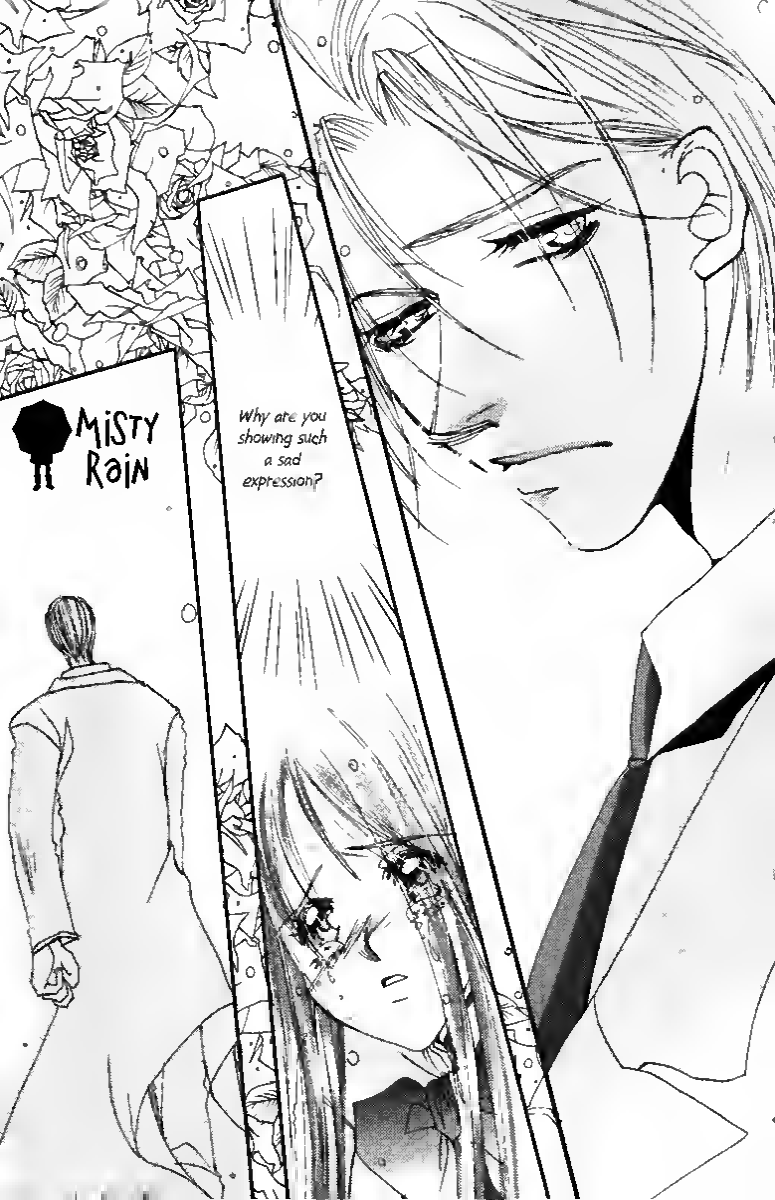
Att: MRS' Staff

To dear March Bunny
It's really great that
it can be re-published,
don't forget to send
me one this time
Love, Xiang Long!

Yes, yes, I know!
Yes, okay. I'll go home right now...

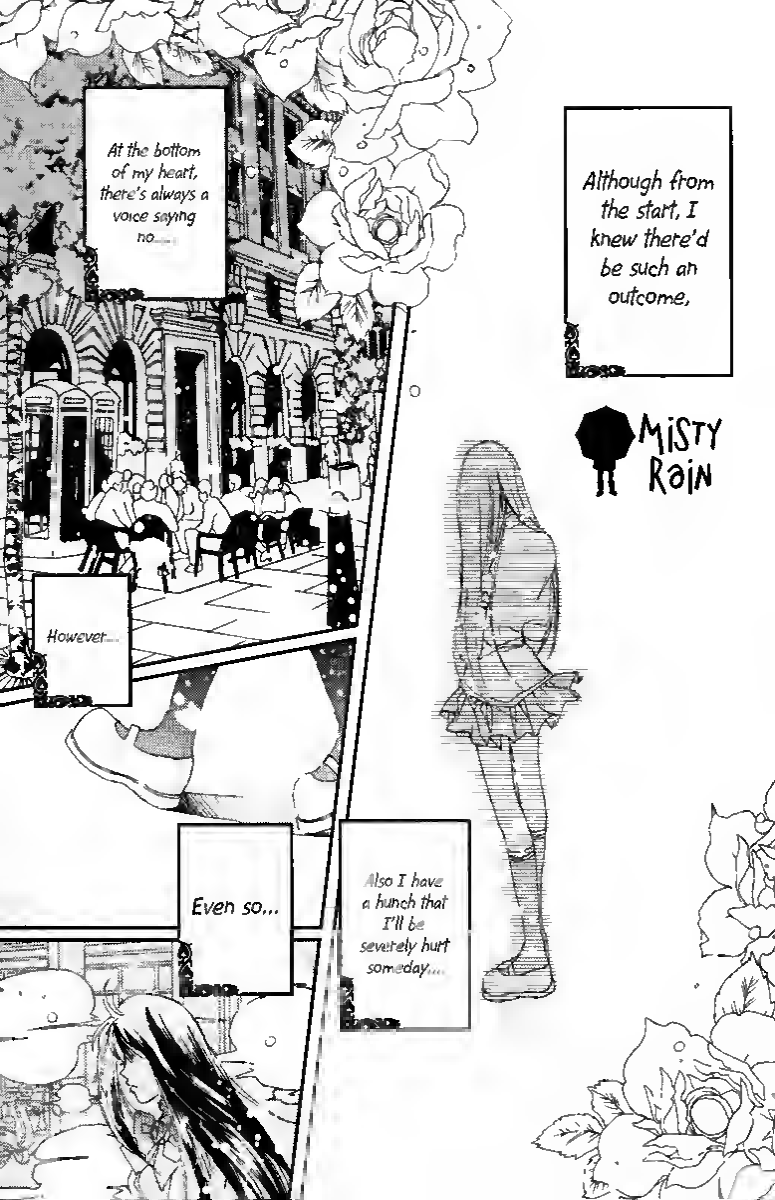
You.....
You still don't want me in the end?
Teacher!
Shang Zhen!
MISTY Rain

Don't go!
I beg you.....
Don't go!



MISTY RAIN
Why are you showing such a sad expression?

Although I resent him, unwilling but helpless,
You're so despicable!
Suddenly I found myself only thinking about him...



At the bottom of my heart, there's always a voice saying no.....
However....
Even so...
Also I have a hunch that I'll be severely hurt someday....
Although from the start, I knew there'd be such an outcome,
MISTY Rain

I still can't control my billowing emotions.....
Why are there so many coincidences in the world?
I have an intimate relationship with the person who was love at first sight
When I wanted to give up on him, but he got involved in my life....

Initially, why would I intersect with him?
Later, it's curiosity.....
In addition to the exciting and thrilling sweet intimate relationship,
I'd also like to retain the feeling of peace of mind.....
It started as a desire to be loved and concerned.

I just can't give up on him--!

MISTY Rain
!!
Isn't that...?!

Is the beauty next to the teacher..... his girlfriend?

No wonder he detests me,
It turned out that teacher's girlfriend is really beautiful
I simply...
Can't compete with her!

Bless you two!
Hanru!
MISTY RAIN

Hanru!
Hanru! Hold on a second!
Leave me alone!
Idiot! Calm down a bit!

Hanru Lee!
Running is too tiring for the elderly
I won't listen!
Not listening!
Not listening!!
I ask you!
A piece of wood mass 3 kilograms, still placed on a smooth flat surface and applying a horizontal force F, moving 24 meters in 4 seconds,
Then this constant force equal to how many Newton?

S=V0t+
1/2at^2……
The answer is. 6 Newton.
I'm right this time
Wrong!
It's 9 Newton.
MISTY Rain

I finally caught you!
You...
Do you want to tease me? Is teasing me very fun?
You are so despicable!
damn you

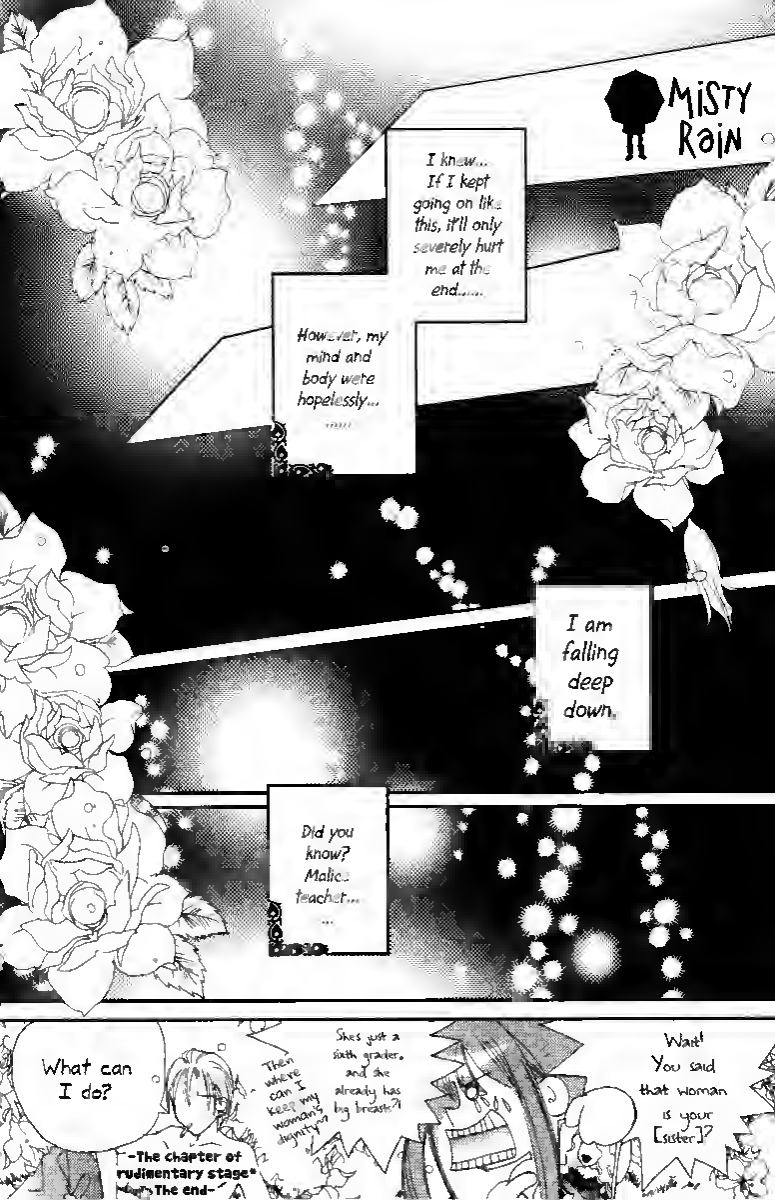
Why would I be teasing you?
Teasing you?
You're selfish and headstong don't think so highly of yourslef!
MISTY RAIN
From the beginning it's you who gave yourself to me!
I thought I had been mentally prepated, who knows to heat this myself, actually.....
I don't know how many times this sentence repeated over and over in my mind ..
Don't always look like a victim.

This cruel man.....
But.....
So hurtful...
I still like you...
Why do I still love...?

So wicked...
What did you say...?
MISTY RAIN
I wanted to wait for you to grow up
Little girl
He loves to tease people and is really loathsome...

Wait wait a second this is the park
Te. Teacher...
But he made me dazzling, and unable to extricate myself--
In his arms, I felt like I was going to melt
It's too late...
It's you who tempted me!

My mind was blank.
I can't think about anything...
Under the night sky in the cold,
I can only feel his body's temperature...
Although there's a sound in my head that kept warning me...



MISTY Rain
I knew... If I kept going on like this, it'll only severely hurt me at the end.....
However, my mind and body were hopelessly... .....
I am falling deep down.
Did you know? Malic... teacher... ...
What can I do?
Then where can I keep my woman's dignity?
Shes just a sixth grader, and she already has big breasts?!
Wait! You said that woman is your [sister]?
-The chapter of rudimentary stage- -The end-
